INTRODUCTION

Christchurch Polytechnic Institute of Technology (CPIT), the largest South Island Polytechnic and one of Canterbury's three major tertiary institutions, is located in the centre of Christchurch city with an additional campus in Opawa. Emphasis is on "applied" learning where theoretical education is combined with a hands-on approach. CPIT prides itself on the emphasis it places on excellence - such as the increasing number of teaching awards it attracts and its achievement of high levels of recognition in educational audits - and on the many diverse and dynamic partnerships it has with industry, the community and a wide range of interest groups in the city.

CPIT welcomes approximately 25,000 student enrolments each year including both full and part-time, domestic and international, professional, paraprofessional and trades focussed.
