(At the completion of your training you are required to obtain a licence from a government body, known as the Medical Radiation Technologists Board (MRTB) in order to practise in New Zealand. The MRTB do not guarantee registration to any person with a criminal record)

As all accepted applicants are police vetted through the enrolment process, it is important that this initial declaration is correct. If an applicant provides information that is proved to be false/misleading, the application/enrolment may be declined/withdrawn. When accepted onto the programme, you will be asked to complete and return a NZ Police Vetting Service Request and Consent form.

This form will be entered by Ara onto the NZ Police Licensing and Vetting Service database and returned in confidence to the Head of Department or delegated authority.

## If selected for the programme

If you are selected for this programme:

- you will be asked to complete and return to Ara a NZ Police, Vetting Service Request and Consent Form
- you will need to have a First Aid Certificate with evidence that this course is of at least 8 hours in length and includes the NZQF unit standards 6401 and 6402
- in order to participate in the clinical components of the programme, the applicant must meet all relevant Health Authority requirements including evidence of immunity to nominated diseases.

## Declaration

I certify that I have read and understood all information on this form and that all information in this application is true and correct. I understand that the material I have supplied becomes the property of the Department of Health Practice however, as personal information, it is protected by the Privacy Act 1993.
