**Please answer the following questions, giving as much information as possible.**

1 What is it about the programme that interests you?

2 What would you say are your main strengths? What are you good at?

3 Do you have any personal issues that might impact on you while studying?

4 What helps you cope with these?

5 Deadlines for handing in work get pressured sometimes. Tell us about a time when you were under pressure to meet a deadline and how you handled it?

6 What are your personal career goals?

## Safety Check (Children's Act 2014) Questionnaire

### Introduction:

The Children's Act requires safety checking of all those who are engaged in work with children, including students on placement. Due to the field education component of the programme being applied for, safety checking occurs as part of the application process.
