Nau mai ki Ara - Welcome to Ara

A warm welcome to the Faculty of Culture and Services and your challenge as a learner studying for a qualification. We look forward to working with you over the next few semesters to help you reach your goals and assist your gaining of higher qualifications. This learner programme information document is your essential 'operations manual' for this semester's study, so please read it carefully and keep it handy for future reference.

As you start each new subject, the course kaiako will give you a course outline. This details the day-to-day subject content, delivery and assessment for that course. It is your responsibility to ensure that you have these outlines for each course and that you read them thoroughly. Any questions regarding these outlines should be directed to the kaiako. Understanding the expectations and assessments for each course will be vital to your success.

Your kaiako and support staff are approachable, friendly and committed to creating a positive, enthusiastic and interesting learning environment. Please do not hesitate to ask questions or request help – that is why we are here.

Make the most of your time at Ara so that you achieve the best possible outcomes. We, as staff, will do all that we can to help you be successful, but it is only you who can do the learning.

Koreru Nui - Important Information

Programme Information Handbook

This handbook is heavy on detail and sometimes quite formal. There will be things you want to know and other things you will only refer to when something comes up.

Here are some quick highlights of what is in the following pages:

- The detail and the rules about the qualification you have enrolled in
- Ara's expectations about how you will behave and what your rights are
- How Ara checks that you are a genuine learner (like your attendance)
- A quick access guide to getting support
- How assessments work and the grades that are used
- The assessment regulations that could support you to pass and what forms to use (extensions, resits and more)
- Getting your results and going to graduation
- Key academic policies
- Health and safety information related to your study
- any after hours access arrangements

Ask your Kaiako or Operations Administrator if you need help to find the information you are looking for.

Learner Information Handbook

We recommend that you read your Programme handbook in conjunction with the [Learner Information Handbook](#) (also available on MyAra) which has more detailed information about support and services available to learners at Ara.

Attendance

Experience has shown that if you attend regularly and participate in the class activities and assessments you are more likely to succeed. Full attendance and commitment are encouraged. You are expected to be punctual and must comply with the various behaviour and safety requirements of classrooms, workshops and labs.

For an international learner satisfactory progress is defined as 100% attendance and successful completion of 75% or more of your courses.

**Let Ara know when you are absent from classes or if you are sick.
Contact your kaiako or advise the faculty by emailing
business@ara.ac.nz**

Non-Engagement

Ara has processes to deal with learners who formally enrol here but do not “engage” with their studies. That is, if you do not attend and/or participate and/or submit assignments and/or sit assessments or only attend briefly or spasmodically and/or do not engage significantly.

Our faculty process follows these steps if you are a no-show at the start of teaching:

- 1** We will attempt to contact you 3 times and if we are not successful, we will withdraw you (1) within 3 days if there is a waitlist of other learners who want to enrol, or (2) within 10% of the length of your enrolment (often 1 – 2 weeks)

- 2** You will receive an email, text or phone call asking why you have not been attending

- 3** There will be no academic or financial penalty from Ara, but you could be overpaid by Studylink

Our faculty process follows these steps for disengaged learners:

- 1** The registers are checked and if your engagement and attendance is a concern, we will talk with you

- 2** You will receive an email or phone call asking why you have not been attending. You may receive a non-engagement letter

- 3** We will attempt to contact you 3 times

- 4** You may be placed on a Formal Academic Contract or withdrawn

- 5** You will receive a WD grade (after 10% of the duration of the course) or a DNC grade (after 80% of the duration of the course)

If you are struggling with attendance, we fully encourage you to talk this over as soon as possible with your kaiako.

Drugs and Alcohol

In line with the expectations of many workplaces, Ara has procedures to ensure the health and safety of all learners, staff and visitors, while undertaking Ara activities.

Ara has **zero tolerance** for the misuse or abuse of alcohol and/or illegal/controlled drugs, possession and/or use of illegal/controlled drugs/substances, or intoxication on all campuses/learning sites.

Many learning activities involve high-risk situations where clear thinking, decision-making, and machinery operation need to be conducted safely. These activities cannot be compromised.

You can download the policy from [CPP506 Drugs & Alcohol Policy](#).

Artificial Intelligence (AI) Tools

When submitting work for assessment, you must adhere to Ara's Assessment and Academic Misconduct policies and not present AI such as ChatGPT as your own work. Learning Services have resources to help you learn to paraphrase or reference another person's work to avoid academic misconduct.

For more detail, please read the [Kā ture me kā tikaka - Policies & Procedures](#) section of this handbook.

Programme Regulations

Bachelor of Applied Management

- The Bachelor of Applied Management is a three year full time equivalent programme of study requiring the successful completion of 360 course credits.
- b) Applications for entry to the programme are evaluated against the stated entry and selection criteria, published annually on the Ara website and in programme brochures.
- The maximum period of time to complete the programme is ten years. Any extension to this period would require a written application to the Dean of Faculty or delegate for consideration.
- The programme comprises:
 - i. For Business Transformation and Strategy, Human Resource Management, and Marketing and Sales specialisations, 210 core course credits, 75 compulsory course credits and 75 elective course credits, with a minimum of 90 credits at level 7.
 - ii. For Supply Chain Logistics Specialisation, Project Management Specialisation, Operations and Product Management Specialisation, Hotel and Tourism Management Specialisation and Event Management Specialisation, 210 core course credits, 60 compulsory course credits, 15

specified elective course credits and 75 elective course credits, with a minimum of 90 credits at level 7.

- Two specialisations may be completed. Ākonga are required to complete all compulsory courses in both specialisations as per the Programme Structure. The AMCP701 Cooperative Education Project must incorporate both specialisation disciplines. Where there are common courses between the specialisations, ākonga will not be required to repeat courses but must still complete 360 credits in total. It is not possible to complete three specialisations.
 - i. For the non-specialisation pathway, 210 core course credits, 150 credits chosen from the compulsory courses for any specialisation and elective courses, with a minimum of 90 credits at level 7.
- Ākonga may, through application to the Dean of Faculty or delegate, apply to study a coherent sequence of courses in lieu of a specialisation (so as to design their own specialisation). This will only occur in exceptional circumstances where a coherent progression of knowledge can be shown. In this instance the qualification will be awarded without a specialisation. The focus of the ACMP701 Co-operative Education Project must represent the coherent focus of the chosen courses.
- A minimum of 250 work integrated learning hours is required.
- All relevant credits from other approved programmes will be considered for credit recognition (cross credits, credit transfers and recognition of prior learning) according to Ara standard policy and procedure. Refer Section 7.3 below for a summary.
- Ākonga showing insufficient academic progress will be supported and advised in accordance with APP511 Academic Support and Progression.
- The Bachelor of Applied Management will be awarded to all ākonga who successfully complete all the requirements laid down by the Faculty and approved by the Academic Board.
- The award title will include the named specialisation, or two specialisations if appropriate, except where ākonga have been approved an alternative coherent sequence of courses in lieu of a specialisation when there will be no named specialisation included in the title.
- A maximum of 75 unspecified course credits, all must be business relevant, and may be used to meet elective requirements. These must be approved by the Faculty Dean or delegate to ensure alignment with the graduate profile outcomes and that content is not replicated in courses.
- Ākonga are eligible to graduate with “Distinction” if they have attained a grade average of A or higher for all level 6 and level 7 specialisation courses (75

credits). The majority of courses must be completed at Ara. Marks will be used to calculate a weighted average with the AMCP701 Cooperative Education Project (45 credits) being weighted as equivalent to three courses.

- Credits for Study Abroad: Current ākonga who study overseas may at the discretion of the Dean of Faculty or delegate enrol in the elective, AMSA601 Study Abroad. On successful completion of AMSA601 ākonga can be awarded up to 60 credits against any specific courses completed overseas.

Unacceptable Behaviour for Learners, or Visitors at Ara

The following are examples of behaviour which are not acceptable for anyone (learners, or visitors), at Ara or involved in Ara related activities:

- Breaking any NZ law (e.g., assault, theft).
- Any form of cheating (including plagiarism and other dishonest practices).
- Misuse of technology, software, hardware, or communication systems provided by Ara (refer Ara Code of Conduct for ICT Users in particular).
- Any form of harassment, bullying, or unjust discrimination including social media.

Academic staff have the responsibility to maintain a safe and effective learning environment.

They may ask you to leave the class if your behaviour indicates limited ability to be safe, disturbance to others learning, or puts others at risk.

Ara takes this code of conduct seriously. Your marks, reports, and references may include an assessment of your behaviour, as well as your educational achievement. Serious infringement may lead to probation, suspension, or cancellation of a current enrolment and/or refusal of a future enrolment (see relevant policies). This may be referred to an appropriate external authority e.g., NZ Police

Learner Behaviour in class / classroom maintenance

Be respectful of other learners and the classroom environment, following classroom specific rules and requirements. To avoid any distractions, you must ensure any electronic device you have on you/with you is diverted, not set to ring, or switched off. Both staff and learners have a responsibility to ensure this happens

Dress code

There is no written dress code, but you are expected to attend classes dressed in a way which is generally acceptable. However, you're expected to be "dressed for the occasion" when going on a site visit or undertaking a Cooperative Education Project. You may be prevented from going on site visits if the staff member is of the opinion that you're not dressed for the occasion. In specific courses, a "dress code" and standard is required. These will be detailed in the Programme Handbook and Course Outline.

Kā Aromatawai - Assessments

Assessment Information

At the start of each course, you will be given a **Course Outline**. Before each assessment you will be given an **assessment brief**. They will show:

The number, type, and due dates for all assessments, including tests and assignments, and will give you details on:

- o The weighting of each assessment in your course that contributes to your final grade, if applicable.
- o The assessment policy for resits, second results and alternative assessments, if they are different from the policies in this document.
- o The time frame for getting your marked assessments back from kaiako if they are different from those stated in this document.
- o The penalties for handing assessments in late, if they are different from those stated in this document. These may be different for each course.

If you do not receive this information, talk to the course Kaiako or Portfolio Manager.

Assessment Types

Formative assessment	Verbal and written feedback that takes place throughout classes and the programme.
-----------------------------	--

Summative assessment	Assessments throughout the year that are based on learning outcomes for the course and determine how well you have achieved each outcome. You are given grades and verbal or written feedback. These assessments may include practical tests and projects.
-----------------------------	--

The contents of the course work will be explained by the Kaiako for each course. If at any point your Kaiako or Portfolio Manager is concerned about your progress, they will let you know.

Academic Integrity

Ara requires learners to be honest and act with integrity in their learning and assessments.

You are required to:

- Present your own original work for assessment.
- Acknowledge contributions from other sources by using the referencing format required for the programme (failure to do this correctly may be regarded as plagiarism); this includes direct copying, paraphrasing, summarising, and the rearranging of, another person's words or idea/s.
- Not cheat in tests or examinations.
- Ensure you follow all instructions and the correct procedures (e.g., no use of mobile phones or personal electronic devices).
- Not enter into any agreements with other learners to collude on assignments.
- Collaborate only as permitted.
- Not over- or misrepresent the individual contributions of members of any group assignment.
- Not knowingly help others to cheat.
- Not present another person's assessment as your own (this includes purchased assessments).
- Not act or behave in a way that prevents others from completing their assessments.
- Keep written and electronic work secure to prevent others from accessing and copying work.

Any exceptions to the above are clearly stated in the information and requirements for the course.

By enrolling at Ara, you agree to your work being reviewed by various means to confirm an assessment is your own work. This includes the use of similarity detection software.

Any breaches of academic integrity follow the process set out in the academic integrity procedures. For more detailed information, please refer to the [Academic Integrity Policy](#).

Submitting Your Work

Your kaiako will let you know if they have guidelines for presenting your assessments and how to submit your work. Use a computer to create your assessments.

You may be required to submit your work manually or electronically. If you submit your work electronically, keep a copy until your official results are published at the end of the semester. If you have any questions, contact your kaiako.

Note: Ara uses as part of its assessment processes electronic plagiarism detection. You will, from time to time, be required to submit assessments for scanning. Electronic copies of assessments must be retained by you until the official results are published after the end of semester or year.

Quality Assurance

Your assessments and exam scripts may be used for internal and external moderation, monitoring, programme reviews, aegrotats, and the resolution of academic appeals and complaints. This helps Ara meet internal and external academic quality assurance requirements. If your assessments are used this way, before they are used, any information that could reasonably be expected to identify you will be removed.

The Grade Scale

The various assessments within a course will be combined according to the weightings shown in the course descriptor, and a grade for the course as a whole will be assigned from the table shown below. A "C-" grade and above represents a pass for the course.

The following grade scale (G29aa) will be used for all courses on the programmes unless advised otherwise in the course descriptor:

Any results displayed publicly will use unique identifiers such as student ID numbers, not learner names.

Note: Staff members are under no obligation to advise you of your final grade for a course. After you have completed all the assessments in a course, we ask that you allow the staff time to complete the marking. At the end of semester staff members are under great pressure to submit final results to Academic Records so that they can be processed and then made available to all learners as soon as possible.

Academic Transcripts

If you require your results to be printed, visit Central Academic Records (CAR) in A121 or email academic.records@ara.ac.nz to request a transcript.

Access to marked assessments

You are entitled to access your written work submitted for assessment.

Where assessed work is to be returned, time limits for collection will be advised by the faculty.

You may view copies of your examinations, but these are retained by Ara. Any time or access limitations will be advised by the faculty.

Please note that in order to meet internal and external academic quality assurance requirements, learner assessments and examination scripts may be used for the purposes of:

- Internal and external moderation.

- Programme review.
- Aegrotats (if available.)
- Resolution of academic appeals and complaints.

Assessments used for these purposes will have information, which could reasonably be expected to identify the individual removed before they are copied and used.

Receiving Your Qualification

Once you have successfully completed your approved programme of study you will receive a notification advising you that your certificate is ready and will be posted to you.

Note: Please make sure your address details are up to date when you finish studying. Advise Academic Records if you are updating your address details after you receive the notification, so the correct address is used.

Graduation

We hold several graduation ceremonies.

If you're eligible to graduate, you'll receive a communication from Ara advising you of this. You'll need to complete the online graduation form, by the date indicated, to register for your ceremony.

Note: If you believe you are entitled to graduate and do not hear from Ara, please contact the Operations Administrator or Academic Records.

For all information on graduation, including dates, please see [Graduation](#)

Kā ture me kā tikaka - Policies & Procedures

Academic Policies

All policies are accessible on the Ara website All policies are accessible on the Ara website [Ara Policy Library](#). Ara provides a student advocacy service.

It is well known that people learn better when they work together, and this is encouraged, but when it comes to assessment, collaboration (working together) is not permitted unless it is a formal part of the assignment set by the kaiako. Each learner is also responsible for making sure his/her work is not able to be copied by others. Sharing or comparing tests, exams and assessments is prohibited and, if detected, will be treated as “academic misconduct”.

Academic Support and Progression

Support is available if you, as a learner, are having difficulty meeting academic standards or you seek guidance, assistance or support with study related matters.

If you are not achieving satisfactorily, you will receive specifically targeted advice and assistance at an early stage.

Academic staff members will work with you if you are not meeting academic standards to document and implement a plan. This will include identifying and monitoring goals, expected academic progress, timelines and support.

If satisfactory progress is not made then you will be invited to meet with the Portfolio Manager or his/her delegate, who will explain the circumstances, discuss the consequences, and give you the opportunity to present your view of events leading up to the meeting. Depending on the outcome of the meeting, a Formal Academic Contract may be entered into.

Formal Academic Contract

If your progress as a learner in a current course is still considered by kaiako to not be satisfactory you will be invited to a meeting and advised in writing by the Portfolio Manager or delegate.

The Formal Academic Contract will record the deficiencies or concerns, the progress which must be met, any assistance available, the time within which

progress or change must be demonstrated, and the method and criteria by which such progress or change will be measured.

For more information about Academic Support and Progression, see [Academic Support and Progression](#) - scroll down and find **3.3 Formal Academic Contract**.

Academic Misconduct

Cheating, plagiarism and other dishonest academic practices have serious consequences in this programme and if you fail to meet academic standards you, as a learner, may be subject to educative processes or penalties.

Plagiarism

Copying, taking or using someone else's work or ideas and presenting them as if they were your own original work or thought, without clear acknowledgement of the actual source.

Use of Artificial Intelligence (AI) Tools

Generative Artificial Intelligence (AI) services such as ChatGPT can be used for learning. When submitting work for assessment, you must adhere to Ara's Assessment and Academic Misconduct policies. In relation to AI, this means;

- You must not present any output from any ai services as your own work in your assessment.
- You must use your own words.
- If you paraphrase or quote from a source such as a textbook, website and AI service, you must reference correctly.

If you submit an assessment using content copied directly from an AI service without acknowledgement, it is a form of academic misconduct.

Cheating

Acting deceitfully or dishonestly to gain academic recognition or an academic result. Examples include copying answers from another person's work, taking useful information secretly into a test or exam, improperly accessing information about questions and/or answers, arranging for someone else to produce an assignment or to sit a test or exam.

Dishonest Academic Practice

Any other act or omission that contravenes Ara academic requirements of a programme or course.

Educative Processes

These are actions designed to assist you, as a learner, in understanding the expected standards and skills needed to succeed and may include:

- A facilitated discussion with an appropriate staff member.
- A formal contract with learning services or other appropriate staff member for skills development including specific learning outcomes and timeframes.
- Additional work may be required.
- A formal written warning may be given, or marks deducted.

Penalties

These are actions designed to deter misconduct and/or deal with the consequences of it in a fair and appropriate way and may include:

- A decision not to mark or assess the work or record a mark/grade.
- Formally recorded fail / zero for the work concerned which remains on your academic record.
- Cancellation of credit already awarded if the academic misconduct is admitted/ established after assessments have been completed and recorded.
- Formal notice indicating 'intentional plagiarism' (or other misconduct) placed on academic record for a specified period of time.
- Formal written warning.
- Probation or suspension from the programme or other penalty.

Probation

If your behaviour, as a learner, is unacceptable and of concern to staff or other learners, you will be advised of this in writing by the Portfolio Manager. This written warning is known as probation.

The written advice must briefly record the deficiencies or concerns, the progress or standards of behaviour which must be met, any assistance available, the time within which progress or change must be demonstrated, and the method and criteria by which such progress or change will be measured.

The progress or change required should be reasonable and the criteria for assessing whether the progress or change has been achieved should be easily understood and capable of being clearly demonstrated.

The written advice must include the warning that failure to make progress or achieve change may lead to suspension and/or cancellation of current enrolment(s) and/or refusal of future enrolment(s).

These requirements are known as the “terms and conditions of probation”.

For more information about probation, see [Probation](#) - scroll down and find **3.4 Probation**.

Exclusion

An exclusion may apply to one or more specified courses, a whole programme, or all enrolment at Ara. An exclusion may also apply to one or more specified services or facilities.

Suspension

Suspension is a short-term exclusion and is the formal process by which you, as a learner, are temporarily prohibited from attending classes in one or more courses and/or is refused access to one or more services/facilities provided by Ara. In serious circumstances a Trespass Notice may also be issued.

Cancellation of Enrolment

Ara may cancel your enrolment as a learner on any of the Education Act (1989) grounds:

- The person is not of good character.
- The person has been guilty of misconduct or a breach of discipline.
- The person is enrolled for full-time instruction in another institution or in a school.
- The person has made insufficient progress in the person’s study or training after a reasonable trial at the institution or at another institution.

The decision to cancel or refuse an enrolment may be made only by the Operations Leader or nominee.

Failure to meet the terms and conditions of Academic Contract and/or probation may lead to exclusion.

When a cancellation is being considered, the Portfolio Manager must invite you to an interview.

Refusal of Future Enrolment

Any person may, for good reason and on good evidence, be refused enrolment at Ara generally or in a particular programme or course only by the Operations Leader or by his or her nominee under specific delegation.

Enrolment may be refused on any of the Education Act (1989) grounds.

Failure to meet the terms and conditions of probation may lead to exclusion.

The Portfolio Manager must forward a recommendation to the Operations Leader that the person's application(s) to enrol be refused. The recommendation must state which of the Education Act (1989) grounds is the basis of the recommendation and must include the supporting evidence.

For more information about Exclusion, including Appeal Rights and Other Rights, see [Exclusion](#) - scroll down and find **3.4 Refusal of Enrolment**.

Copyright and Ara Learners

Copyright legislation exists to protect copyright owners from unauthorised copying of their work (literary, dramatic, musical and artistic) and provides them with exclusive rights to how their work is used.

During your study with us we will endeavour to educate you on copyright use, including referencing, approved copying, and proper use of electronic material and downloadable music.

Infringement of copyright regulations may result in civil or criminal prosecution against you, as the learner, and/or Ara. Infringement by you, as a learner, may also be considered academic misconduct and result in penalties.

For more information about Copyright, see [Copyright](#).
